

Stowmarket Festival

Our one day festival, StowFest, is now part of something much bigger. Stowmarket Festival is a new 11 day festival that will run from Thursday 27th May until Sunday 6th June and will feature all sorts of arts and entertainment based events and activities taking place around Stowmarket. We hope that there will be something in the festival programme for everyone and we truly believe that this is the start of something that will grow and grow in future years. We hope that you come out and enjoy one or more of the many events that take place during Stowmarket Festival.
